Land submerged under Sharavathi Valley Hydro-Electric Scheme

Q.—976 **Sri A. R. BADRI NARAYAN** (Thirthahalli).—

Will the Government be pleased to state :—

(*a*) the total acreage of (i) wet, (ii) dry, (iii) bagayat and (iv) forest land under submersion under the Sharavathi Valley Hydro-Electric Scheme ;

(*b*) the compensation that is proposed to be given to the landowners and the tenants respectively ;

(*c*) whether rehabilitation proposals have been drawn up ?

A.—**Sri H. K. VEERANNA GOWDH** (Minister for Public Works).—

(*a*) The approximate total acreage of different types of lands coming under submersion is as follows :—

(1) Wet	...	15,000 acres.
(2) Dry	...	2,500 ,,
(3) Bhagayat	...	2,000 ,,
(4) Forest	...	38,100 ,,
Total	...	57,600 ,,

(*b*) A total provision of Rs. 1·50 crores has been made in the project estimate for payment of compensation for submerged lands and properties as well as for rehabilitation of the affected people.

(*c*) Yes.

Sri A. R. BADRI NARAYAN.—In answer to (b) it has been stated that the total provision of Rs. 1·50 crores has been made in the project estimate for payment of compensation. How is this figure arrived at ?

***Sri H. K. VEERANNA GOWDH.**—On a rough estimate.

Sri A. R. BADRI NARAYAN.—What is the basis for payment of compensation to the wet lands ?

Sri H. K. VEERANNA GOWDH.—Rules have been framed by the Government and as per rules, they will be decided.

Sri A. R. BADRI NARAYAN.—I want to know how this figure of Rs. 1·50 crores has been estimated. There must be some basis for arriving at this figure. I want to know how is this figure arrived at.

Sri H. K. VEERANNA GOWDH.—The basis is, similar work has been carried out near about Jog and Hirebhasgar and then compensation has been paid to the raiyats. Even in the first place, the area of submersion is not definite. It is assumed on an aerial survey and therefore details have got to be worked out and then estimate has got to be fixed according to the rates now prevailing and according to the rates at which lands are sold and bought round about the area. So, roughly, Rs. 1·50 crores have been provided for. It may increase.

Sri A. R. BADRI NARAYAN.—Will the Hon'ble Minister please tell me the basis on which wet lands are assessed ?

Sri H. K. VEERANNA GOWDH.—I have no figures. I am not the person to assess. There are rules provided for assessment and there are officers appointed. They will take all aspects into consideration and decide upon each case.

Sri A. R. BADRI NARAYAN.—If more money is needed, is the Government going to provide for it ?

Sri H. K. VEERANNA GOWDH.—They are bound to.

Sri A. R. BADRI NARAYAN.—Then what is the compensation that is proposed to be given to the tenants who also suffer from this submersion ?

Sri H. K. VEERANNA GOWDH.—Those representations are being received often. This is a question to be examined by the Law Department. This is a new complication that has arisen. Land-owners are generally paid compensation; it is a peculiar thing in Shimoga District that tenants are permanently cultivating the land for a number of years past. So, this aspect of the question has to be examined by the Law Department and suitable action taken and then the matter has to be decided.

Sri A. R. BADRI NARAYAN.—You have been pleased to say that 15,000 acres of wet land will be under submersion. So, rehabilitation proposals are being worked out. Are there 15,000 acres of wet land available elsewhere ?

Sri H. K. VEERANNA GOWDH.—I do not know the details. But as you know, a Committee was appointed by the Government on 6th June 1957 under the Chairmanship of the Minister for Public Works. The Committee has decided that about 100 to 150 acres of Tarigekoppa State Forest and about 425 acres in Sagar Division would have to be made available. Further lands will be made available when actually they are required. I must state that this is conceived on a pre-stage basis. Even the first stage has yet to be taken up. I do not know if at all there will be submersion. If there is, it will be very small. The actual submersion is likely to occur in the fourth stage or after some years. In the meanwhile all irrigable land which can be irrigated under the Tungabhadra Scheme will be examined and these people will be rehabilitated. But for the present, there are three or four places selected and wells and roads are being constructed and people are asked to go there and occupy sites.

Dr. R. NAGAN GOWDA.—May I know, Sir, if there is any proposal to set apart wet lands under Bhadra and Tunga Anicuts for those people who lose their wet lands under the Sharavathi Scheme since it is merely a Hydro-Electric Scheme and not an irrigation scheme ?

Sri H. K. VEERANNA GOWDH.—There is also a Sub-Committee under the main Committee formed to go into the question of selection of sites and also finding suitable sites for giving these people.

Sri A. R. BADRI NARAYAN.—Is a survey made of the available forest lands fit for wet irrigation, dry irrigation and bagayet irrigation from among the forest lands ?

Sri H. K. VEERANNA GOWDH.—As I told you, a survey is also being conducted and side by side available lands are being given to people who come under submersion immediately or within one or two years. It takes a long time for lands to get submerged and a further survey is being made.

ಶ್ರೀ ಜಿ. ದುಗ್ಗಪ್ಪ.—ಎಷ್ಟು ವರ್ಷಗಳಿಂದ ಜಮೀನು ಮುಳುಗಡೆ ಆಗಿದೆ ?

ಶ್ರೀ ಆರ್. ಚೆನ್ನಿಗರಾಮಯ್ಯ.—ಇನ್ನೂ ಕಟ್ಟುತ್ತಾ ಇದ್ದಾರೆ.

ಶ್ರೀ ಕೆ. ಎಸ್. ಸೂರ್ಯನಾರಾಯಣರಾವ್.—ನಬ್ ಮುರ್ಡನ್ ಆಗುವ ಜಾಗದಿಂದ ಟೆನೆಂಟ್ಸ್‌ಗಳನ್ನು ಬೇರೆ ಕಡೆಗೆ ಸಾಗಿಸಬೇಕಾದರೆ ಅವರಿಗೆ ಏನಾದರೂ ಏರ್ಪಾಡು ಮಾಡುತ್ತೀರಾ ? ಕಾಂಪೆನ್ಸೇಷನ್ ಕೊಡುವುದು ಲ್ಯಾಂಡ್ ಲಾರ್ಡ್ಸ್ ಅಥವಾ ಮನೆ ಇದ್ದವರಿಗೆ. ಟೆನೆಂಟ್‌ಗಳಿಗೆ ಸಿಕ್ಕುವುದಿಲ್ಲವೆಂದು ಕಾಣುತ್ತದೆ. ಈ ದೃಷ್ಟಿಯಿಂದ ಲೀಗಲ್ ಡಿಪಾರ್ಟ್‌ಮೆಂಟಿಗೆ ಏತಕ್ಕೆ ರೆಫರ್ ಮಾಡಿಲ್ಲ ಎಂಬುದು ಗೊತ್ತಾಗುವುದಿಲ್ಲ.

ಶ್ರೀ ಆರ್. ಚೆನ್ನಿಗರಾಮಯ್ಯ.—ಮಲೆನಾಡಿನಲ್ಲಿ ಈ ಪ್ರಶ್ನೆ ಹೊಸದಾಗಿ ಬರುತ್ತಿದೆ. ಮೈಸೂರು ಬೆಂಗಳೂರು ಕಡೆ ಈ ಪ್ರಶ್ನೆ ಇಲ್ಲ. ಶಿವಮೊಗ್ಗ ಕಡೆ ಪಿಕ್ಯೂಲಿಯರ್ ಕಸ್ಟಂ ಇದೆ. ತಲೆತಲಾಂತರದಿಂದ ಟೆನೆಂಟ್ಸ್ ಜಮೀನು ಮಾಡುವ ಏರ್ಪಾಡು ಇರುವ ಹಾಗೆ ಕಾಣುತ್ತದೆ. ನೂರಾರು ವರ್ಷಗಳಿಂದ ಅಬ್ಸೆಂಟಿ ಲ್ಯಾಂಡ್ ಲಾರ್ಡ್ಸ್ ಟೆನೆಂಟ್ಸಿಗೆ ಜಮೀನನ್ನು

(ಶ್ರೀ ಆರ್. ಚೆನ್ನಿಗರಾಮಯ್ಯ)

ಸಾಗುವಳಿಗೆ ಕೊಟ್ಟಿರುತ್ತಾರೆ. The question really requires examination.

Sri G. SIVAPPA.—May I know whether any compensation has been fixed for the lands under Hirebhasgar Dam ?

Sri H. K. VEERANNA GOWDH.—I have already said that everything has been based on a rough estimate. All the aspects would be taken into consideration. Generally, Government has instructed the officers to be liberal with regard to these matters.

ಶ್ರೀ ಶಂಕರಗೌಡ ವೈ. ಪಾಟೀಲ್.—ಅಲ್ಲಿಯ ಲೈತರು ಪರ್ಮನೆಂಟ್ ಜೆನೆಂಟ್ಸ್ ಆಗಿದ್ದಾರೆಯೇ ?

Sri H. K. VEERANNA GOWDH.—The question does not arise here, Sir; that question will have to be separately examined.

ಶ್ರೀ ಎ. ಆರ್. ಬದರಿ ನಾರಾಯಣ್.—ಮುಳುಗಡೆಯಾದ ಪ್ರದೇಶದಲ್ಲಿಯ ಜನರ ರಿಹ್ಯಾಬಿಲಿಟೇಷನ್ ಗೋಸ್ಕರ ಏನಾದರೂ ಯೋಜನೆ ತಯಾರಾಗಿದೆಯೇ ?

Sri H. K. VEERANNA GOWDH.—As and when these lands are submerged and villages are submerged, people would be provided with lands, etc.

ಶ್ರೀ ಜಿ. ದುಗ್ಗಪ್ಪ.—ಹಿರೇಭಾಸ್ಕರ ಡಾಮ್ ಮುಳುಗಡೆ ಪ್ರದೇಶದ ಜನರ ರಿಹ್ಯಾಬಿಲಿಟೇಷನ್ ಸಲುವಾಗಿ ಏನೇನು ಪ್ರೊಪೋಜಲ್ಸ ಮಾಡಲಾಗಿದೆ ?

Sri H. K. VEERANNA GOWDH.—That does not arise out of this question.

Proposals for laying of Roads in South Kanara District.

Q.—1006. Sri Y. MANJAYA SHETTY (Baindur).—

Will the Government be pleased to state :—

(*a*) whether they have received proposals for laying roads connecting the main road with the fishing hamlets in South Kanara District ;

(*b*) if so, what are the proposals ;

(*c*) the steps they have taken to implement these proposals ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works).—

(*a*), (*b*) and (*c*) The Madras Government had proposed a scheme for construction of feeder roads to fishermen hamlets and harbours at a cost of Rs. 10,00,000 and had asked for 50 per cent assistance from the Government of India. The Centre, however, declined to finance the scheme. The Mysore Government have not yet examined the matter.

Sri Y. MANJAYA SHETTY.—May I know whether this Government has called for fresh proposals from the District Collector with regard to the feeder roads connecting the main road with the fishing hamlets in South Kanara District and if so, whether such a proposal has been received by the Government ?

Sri H. K. VEERANNA GOWDH.—The Collector will submit a detailed proposal after detailed investigation by the Public Works Department regarding the cost, etc.

Sri Y. MANJAYA SHETTY.—Whether any such proposals have been received by this Government ?

*Sri H. K. VEERANNA GOWDH.—Not yet.

Dr. R. NAGAN GOWDA.—How many miles in total do these feeder roads come to ?

Sri H. K. VEERANNA GOWDH.—The exact number of miles is not available. But there are small bits of roads extending from one mile to three or four miles.

Dr. R. NAGAN GOWDA.—Are Government aware that these roads from the sea-shore to the main roads are mostly of sand and this question is pending from a long time ? Will the Government consider this matter immediately ?

Sri H. K. VEERANNA GOWDH.—That is what they are doing.

Sri J. H. SHAMSUDDIN.—Will the Government find money for the improvement of these roads for fishery development if the Centre is not accommodating ?

Sri H. K. VEERANNA GOWDH.—That is a suggestion for action.

Q.—1043. Sri B. G. KHOT (Sadalga).—

Will the Government be pleased to state :—
